

**How Would You Like Me to Personally Walk
You Through the Exact Game Plan I Use to
Help My Clients Get Out of The Lack Shack
and Into the Expansion Mansion...
Absolutely for *Free*?**

From the Desk of: Felice Austin,
Ojai, California

Dear Friend,

Let's talk about RESULTS for a second:

Every day, my Prosperity Destiny clients are emailing me and posting on Facebook, celebrating their victories:

Their first day without worrying about money ...

Their first week with unlimited energy and vitality and joy in life...

Attracting a healthy love relationship...

Six-figure+ opportunities that came and the courage and authority to seize them...

More freedom and time than they ever dreamed possible...

In fact, if what's being posted on social media is any clue...

**In the past six months, Tree of Life Hypnosis
has helped more spiritually-minded mortals**

get out of fear and into love and measureable prosperity than anyone else we know trying.

The only question you need to ask yourself is, "**Do I want to get out of the lack shack and experience real prosperity of mind, body, spirit and wallet this year?**"

If the answer is YES, then I'd love to share with you how we're getting these kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

Right Now, You're Probably Stuck on One of These 3 Things...

You want more money and time and energy to do good things and help others. But it seems every time you get more, there is loss somewhere else, so that you never seem to get REALLY ahead. You'd like to have more to show for all your hard work so that you can live your dream and help others.

OR...

You want prosperity to be consistent. Sometimes there is a lot (of money, time, energy, and health) and other times, there is a little. You want to make, \$5,000, or \$10,000 or \$20,000 or MORE per month. Or you want to feel good, or feel happy, and you want it to happen consistently.

OR...

You want to enjoy life more. You have enough money, but you're working too hard to enjoy it and trading your health and vitality doing it.

Which of those sounds more like you?

The good news is that whichever it is, I can show you a plan that will help you make what you want a reality...

...and I'll do it for FREE. Consider this:

These are the kinds of results I get for my clients every day. If I can do it for them, why can't I do it for you?

Here's How to Get My Help for FREE...

I've set aside some time to speak to you over the next few days.

I'll get on the phone for about 45 minutes. On that call, we'll lay out a plan to help you do ANY or ALL of the 3 things we mentioned above.

This plan is going to enable you to **break your cycle of not enough and get into a whole new chapter of life...**

...with time to enjoy it.

It's a bold promise...

But after applying the same strategy in my own life and with select clients the last 6 months, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

This stuff works. And I know that if we work together, and you stay coachable, decisive, and resourceful, there is NO limit to what you can achieve in your financial life, your relationships, and your community.

This invitation is going out to over 1,100 people right now, so as you can imagine, it's going to create a BIG response.

That's why I need you to *read this next part carefully*:

This is NOT for Everybody.

Here's Who I Can Help:

I have to be VERY picky about who I'll speak with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

1. You need to be a person of high integrity on a spiritual path, dedicated to personal growth AND making a better world, and you are done playing small. This offer is for people who have genuine good in their heart and know that money is a useful tool. If that's you...let's talk.

But, if you're just looking for a get rich fast thing or a quick fix out of a financial mess and don't want to do any real work...or if you are a vampire who is looking to steal energy from others, plagiarize my stuff and sell it elsewhere-- no offense, but this is not for you.

2. You MUST be an action taker who follows directions. That means you're teachable, decisive, and resourceful. (Don't worry - I won't ask you to do anything super-weird.)

If you like to "kick tires" or sign up for things and not follow through, this is NOT for you. Maintaining a 100% client success rate is VERY important to me. Please be someone who doesn't mess around, and is serious about results.

That's it - if you meet BOTH of those requirements, we're good.

3. Oh and one more thing. Right now, I am only working with people who have some control over their income, meaning they are self-employed, or paid commission, and they have been at it

for a while (at least a year). In the future, if I work with employed people looking for better employment or looking to transition, I will let you know. But for now, this is what I'm doing. If you don't fit into that category, don't apply, but feel free to email me let me know your interest for the future. I'm always looking to see what my people need most.

Here's What I Want You to Do Next:

If you meet the criteria above, and you'd like to talk about getting out of the cycles that have followed you for decades or more, and into your dreams of freedom and prosperity on all levels, then I'll happily set aside some time for you.

Here's what to do next:

Head over to <http://www.treeoflifehypnosis.net/apply> and you'll see my calendar. Grab whatever appointment time works for you.

Then you'll be taken to my quick application form. It's very fast and unobtrusive. I just need to know a little about you, where you are at, and what you want to accomplish.

That's it!

The initial call will go 45-60 minutes, and it will be the BEST time you have ever spent working on yourself.

WARNING - TIME IS A FACTOR!

This invitation is going out to 1,100+ people today, and there is only so much time available in the schedule.

It's physically impossible for me to work with more than a handful of people, so it is FIRST COME, FIRST SERVED.

If you feel like this is the right opportunity for you, click here, leave your application, and let's talk!

Talk soon,
